BICYCLE REGISTRATION FORM

To initiate the bicycle registration process:

1. Complete the information requested. Print legibly. If you have any questions, the information requested about your bicycle may be filled out with the assistance of DOTS staff.

2. Ensure that the serial number is correct.

3. Please bring this sheet and your bicycle to DOTS, or other special publicized registration locations.

   You MUST bring your bicycle with you to complete registration.

IMPORTANT INFORMATION ABOUT BICYCLE REGISTRATION:

a. Term of Registration and Transfer of Registration
   Registrations are assigned to the registrant and may not be transferred to another person. Liabilities for impoundment, parking fees and citations incurred are the responsibility of the registrant. The registrant is responsible for canceling or removing bicycle permits prior to selling, trading, or donating the bicycle.

b. False Registration
   No person shall obtain, attempt to obtain, or use an altered, stolen, lost, or counterfeit bicycle registrations issued upon false information. Giving a false name, address, identification number, or other information known to be false shall constitute false registration. Violation of this provision shall be cause for citations/fees and possible legal action.

c. Advantages of registration
   Please visit transportation.umd.edu to learn more about the advantages of registering your bicycle.
